School Name: Sin Ching Kindergarten

School Year: 2025–2026

Grade: K2

Class Activity Name:

Chinese New Year Market:

Objectives:

1. Understand the origin, customs, and significance of Chinese New Year, and learn to respect and appreciate traditional Chinese festivals.
2. Develop skills in mutual cooperation and communication through free play at the Chinese New Year Market.
3. Allow children to experience the joyful festive atmosphere.

Activity Summary

Guide children through various aspects, including understanding the culture, fostering feelings, and developing skills. This includes helping children learn about the origin and customs of Chinese New Year, experience the festive atmosphere, and participate in hands-on activities—such as making Chinese New Year market food and Fai Chun—thereby cultivating interest in and respect for traditional Chinese culture.

Activity Records (e.g., children's work / photos of the activity / videos)

- Children experience Chinese New Year market customs.

Grade: K3

Class Activity Name:

Visit to Sam Tung Uk Museum

Objectives:

1. Recognize the unique traditions of Hong Kong's Hakka walled villages, as well as the lifestyle, customs, and culture of the Hakka people through a visit to Sam Tung Uk Museum.
2. Introduce young children to the process of making traditional Chinese dim sum through traditional craft workshops.
3. Cultivate young children's appreciation for Hong Kong's diverse community and the transmission of its profound cultural heritage.

Activity Summary

Through interactive exhibitions, multimedia presentations, and immersive experiences, young children can learn about traditional crafts, performing arts, rituals, and festivals. These include Cantonese opera, traditional Chinese medicine, tea art, and dragon boat racing—cultural elements deeply rooted in Hong Kong's history and identity.

Activity Records (e.g., children's work / photos of the activity / videos)

- Children visiting Sam Tung Uk Museum.
